February 20, 2020

Imagine thousands of Baltimore area residents getting outside, enjoying nature, and doing their part to help the environment. Now imagine your organization/company leading the charge towards a more sustainable community. Please join us by sponsoring Baltimore Earth Day 2020 as we look to celebrate this, the 50th anniversary of Earth Day and all that has been accomplished while we recognize all that still needs to be done.

Baltimore Earth Day 2020 is a month-long celebration that culminates on Sunday, April 26 with a family-friendly festival at Oregon Ridge Nature Center. Our partners will be offering 50+ environmental activities throughout the greater Baltimore area in April encouraging residents to get outside and take action to improve our environment.

Your financial support will help Baltimore Earth Day 2020 connect thousands of area residents to the beauty of our region, help us reach a larger audience, and inspire the next generation of stewards to “Think globally, act locally.”

Thanks for your consideration of this request.

Sincerely,

Baltimore Earth Day Planning Committee
