Come join our staff and Maryland Conservation Corps Crew to help celebrate the 50th Anniversary of Earth Day by helping beautify our gardens at Hammerman Beach! Jobs will include weeding, planting native flowers in our terris wall garden, mulching, painting fence, and improving our walkway. Stay after for a campfire on the beach to reward your efforts with some smores! Please bring water and wear comfortable closed-toe shoes. Gloves will be provided. This event will be cancelled with inclement weather.
