

Gunpowder Valley Conservancy

Evening in the Woods, Baltimore County Game & Fish Protective Association
to benefit the Gunpowder Valley Conservancy
September 8, 2018, 6pm-9pm

June 8, 2018

The Gunpowder Valley Conservancy (GVC) of Maryland will hold an “Evening in the Woods” Annual Fall Fundraiser on Saturday, September 8, 2018, from 6 pm-9 pm at the Baltimore County Game & Fish Protective Association in Parkville, Maryland. This celebration involving over 300 environmentally mindful professionals, volunteers and supporters will usher in the Fall with great food and wine, beer from local breweries, a silent auction, wine pull, and live music in a fun, casual setting!

There are numerous benefits to becoming a sponsor of this exciting event. As a sponsor you will be recognized widely and prominently in the marketing and publicity of the event, our newsletter reaching thousands of supporting members and friends, as well as on our website and Facebook page throughout the year. We would appreciate your support this year and encourage you to view our sponsorship opportunities attached. Working in partnership with the business community in the Gunpowder watershed allows for greater collaboration on expanding our mission. The GVC is a 501(c)(3) nonprofit organization and we look forward to promoting your company as an environmental steward!

Over 24,000 volunteers and hundreds of organizations have partnered with the GVC. The event engages our supporting members, volunteers and donors and celebrates our sponsors while benefiting GVC’s programs, which focus on land preservation of watershed areas that support agriculture, wildlife, and ecological systems, and protecting and restoring wetlands, streams, and riparian areas for future generations. The GVC will once again honor a community leader engaged in promoting environmental programs, outreach and education.

For 29 years, the GVC has preserved the character, history and environmental integrity in the Gunpowder watershed, an area encompassing 450 square miles from the Chesapeake Bay into Pennsylvania that includes two drinking water reservoirs – Loch Raven and Prettyboy - servicing the Baltimore Metropolitan area.

Thank you in advance for your consideration of sponsorship of our annual event supporting environmental programs, outreach and education. Please feel free to contact me with any questions regarding sponsorship benefits at 410-661-1233 or ceconklin12@verizon.net.

Regards,

Charles Conklin
GVC Board of Directors,
Vice President of Operations
