# Planting the Future

**Gunpowder Valley Conservancy (GVC)**, a Baltimore County-based land trust and watershed restoration non-profit, is looking to connect with homeowners who are interested in planting **FREE** native trees on their property!

Ideal size is 1+ acre (100 trees)  
Will consider 0.5+ acre (50 trees) near streams  
Must be located in Gunpowder Watershed

GVC staff will work with you to identify variety of native tree and shrub species appropriate for your property.

GVC will supply **FREE** trees, supplies, and volunteer crews.  
Includes tree maintenance for several years afterward to improve tree establishment.
